About KEVIN S. ANDERSON

Kevin was born on September 29, 1964, in Kansas City, Missouri. As a boy he was on the swim team and baseball team and enjoyed life with his big family. He graduated from Barstow and was the class valedictorian and editor of the B-line. He attended USC, Berkeley, and the University of Kansas. Kevin was the president of Anderson Metals. He was on the board of UMB Bank and a member of the American Hardware Manufacturers Association, Mid-America Hardware Group, and many other organizations.

Kevin knew what was important in life and enjoyed life to its fullest. We will always remember his sense of humor and his contagious laughter. Kevin was well versed on any subject. To put it mildly... he was brilliant! His interests included current events, politics, science and outer space. Kevin took pleasure in traveling, reading, fishing and a variety of other activities. He was competitive and always gave one hundred percent. Two hobbies Kevin enjoyed with his family and friends were playing cards and golfing. He loved his wife and kids, and is dearly missed by all.
